

LUNCHTIME SEMINARS

Results of PhD research on transformation processes

2020

CRC I266
SCALES OF TRANSFORMATION

13. **A retrospectpective and future perspectives**

MAY

PhD Representatives

Joana Seguin, Sascha Krüger

LANDMAN and Transformations

Yannic Ole Kropp

27. **The (trans)formation of an archaeobotanical archive at a Bronze Age tell-like settlement**

MAY

Sofia Filatova

Transformations of a Northern Bronze Age ritual site: Mang de Barga

Stefanie Schaefer-Di Maida

Time: **Wednesdays 12.00 – 13.30 h**

For questions and web conference login details please contact:
jlaabs@sfb1266.uni-kiel.de

Venue: **Leibnizstraße 1, Room 204**
(in case of regular university business)

www.sfb1266.uni-kiel.de

3. **Wartberg and Corded Ware: One or many transformations?**

JUN

Clara Drummer

Transformation processes in Biosphere, Geosphere and Archaeosphere identified by Biomarkers

Jan Weber

10. **Identifying transformations: Quantitative interpretations of magnetic measurements in archaeological prospection**

JUN

Natalie Marie Pickartz

Proto-urban settlements in transformation?

Liudmyla Shatilo

24. **Climate as trigger for Bronze Age transformations?**

JUN

Marco Zanon

Tracing transformation through Bayesian Modelling for an Iron Age ritual site

Helene Rose
